How to Get Involved in Artificial Intelligence 🔗

Professional Summary

"I am a motivated IT student with a strong curiosity for technology and its real-world applications. I am keenly interested in AI tools and their potential for creative and practical tasks. As I gain experience, I am eager to learn, adapt, and develop my skills. I am excited to explore opportunities in the tech field."

Projects

Kamyas - Personalized Gift Suggestions   Live Demo Link   Github Repo Link

JavaScript   HTML5   CSS3   JSON Server

Glitch (Backend), Responsive Web Design

- Developed a fully responsive web design using React.js, JavaScript, HTML5, and CSS3.
- Integrated wishlist and shopping cart systems to enhance user functionality.
- Implemented product browsing by categories and personalized gift suggestions.
- Created RESTful API integration to enable admin functionalities.
- Utilized JSON server on Glitch for backend development and data management.

Atingi - Fair Forward
I completed an introductory course on Artificial Intelligence, which covered the basics of AI, its industry applications, and the key concepts required to get involved in the field.

Digital Marketing Certification 🔗

Accenture (in association with CPD)
Completed a course focused on digital marketing strategies.

Combined Annual Training Camp (CATC) 🔗

3 J&K BN NCC, Baramulla
Training camp that focused on leadership, discipline, and physical fitness under the guidance of NCC instructors. The camp also included training sessions with seven directors.

20th Rashtra Katha Shivir 🔗

Shri Vedic Mission Trust
Attended a week-long event focused on Indian history and cultural heritage, where participants from all 29 states gained insights into the functioning of the Indian Army, Navy, and Air Force. The event included hands-on training with military personnel, understanding the equipment used in warfare, and learning about the role of firefighters in disaster management.

NCC 'A' Certificate (Grade A) 🔗

National Cadet Corps (NCC)
Awarded for excellent performance during NCC

training with the 1st J&K Naval Unit NCC Srinagar, showcasing leadership, and discipline.
